

THE MIGHTY MESSENGER

May 29, 2011
Volume 15.4

The past months have been a very busy time at the SCS.

Highlights Jan-May 2011:

Pancake Breakfast: March 6

The Sunday Church School enjoyed a breakfast of warm pancakes away from the snowstorm outdoors. Thank you, Jessie, for bringing in all those pancakes.

Pretzel making Sunday: March 20

The SCS sang songs and played very creative games like a Biblical quiz called the 'Cube game' besides making pretzels to mark the onset of Lent.

Passover: April 10

For the first time this year, the SCS celebrated Passover. It was a unique experience, led by Carolyn Johnston, as the children heard about the symbols of Passover [-the expressions on some faces were priceless as they tasted the bitterness of parsley dipped in salt water!], sang a Passover song called Dayenu and drank 'wine' [which was actually cranberry juice] thrice during the celebration.

Palm Sunday: April 17

The SCS participated in the Palm Sunday Service by processing in waving palm leaves and sang two songs during the service.

Fellowship: April 3 and 10

The SCS hosted fellowship after the church service very enthusiastically. Thanks to the parents for sending in an interesting variety of snacks.

Mother's Day: *May 8*

The Cherub choir and Junior Choir sang during the service. The children certainly brightened up everyone's day with their music.

Art Show: *May 15*

Another lovely display of art work by the children of the SCS was put up in the Parish hall for the congregation to view. The work done by the children over the past year was very eye-catching.

Upcoming events:

Youth Sunday: *June 5*

In celebration of Youth Sunday, the youth of our parish will be leading the SCS in music and games.

Confirmation Sunday: *June 12*

We are happy to announce that yet another group of children will be getting confirmed this year. SCS certificates for the year will also be presented. The SCS teachers will be hosting the fellowship on that day.

St. Peter's Barbeque: *Jun 18*

A barbeque will be held at church. All church members, old and young, are invited to join in this time of

fellowship. Please check the notice board for more information regarding this fun event.

Service project:

We are nearing our goal of raising \$150 to buy a pair of goats, a fish net and a garden tool kit. The children have been quite diligent in bringing in canned food items in order to raise funds for the CLWR project.

Thank you:

The SCS would like to thank all the teachers and volunteers who have led the SCS this academic year. You have truly been a blessing to the SCS.

Dates to remember:

Jun 12: Last day of SCS for the year 2010-2011

Sep 11: First day of SCS for the year 2011-2012

**Have a lovely
summer everyone!**
